## President's Message

Greetings to each and every one of you. We are now embarking on another school year and we are looking forward with a great deal of pleasure and expectation to the coming Alpha Kappa Lambda School year. We believe that it will be the most outstanding of any year since our chartering as a National Fraternity.

Your National President called a special meeting of your executive committee during the summer months at which time we made definite plans for the fraternity. We established policies for the future conduct of the fraternity. The National Officers were very cooperative in meeting at Stanford at which time we spent two full days ironing out problems and discussing ways and means of future expansion. The fraternity is now much stronger in many ways and stands a fine chance of making a real step in expansion.

Your National Secretary will visit each chapter during the school year and will spend some time at each chapter assisting you with the many problems which may arise or which have come up during the past year or so. We hope at these meetings to definitely establish methods and ways for expansion in each area. It is through the cooperation of each active, pledge and alumni that the fraternity will become stronger, larger and gain in stature. This is the year for our *Conclave* meeting and we hope that each of you have suggestions for our improvement. This is your fraternity and your officers welcome suggestions. You will have a copy of our new By-Laws in the near future. The Alumni Directory has been printed and contains a number of errors in addresses which can be corrected if each chapter will check its own mailing lists of alumni and actives sending all corrections to Lewis Bacon for inclusion in the correction list.

I wish to express my appreciation for the cooperation which you have extended to me as your president and I wish for each of you a pleasant and prosperous year. It gives me a great deal of pleasure when I receive word of your chapter and its activities. Let us hear of your problems as well as the fine things taking place in your chapter.

H. GEORGE DEKAY

## Vice President's Message

Due largely to the efforts of our National Secretary, Lewis Bacon, and the excellent cooperation of many of our brothers, the fraternity has made great progress this past year in organizing our alumni. More or less dormant chapters at Chicago, Detroit, East Bay, Los Angeles, St. Louis, Seattle, and Spokane have been revived and reorganized. New alumni chapters have been chartered at Indianapolis, Kansas City, Peoria, and Phoenix. We need help in the Fresno, New York, Peninsula, Sacramento, and San Francisco areas. Won't some of you living in the last named areas initiate proceedings? Your new directory will provide a starting place.

Why have an organized alumni? 1. Of our present 3000 membership, 2600 are alumni. 2. Although a man is an active for 4 years at most, he is an alumnus for perhaps 40 years. You are a brother for not just 4 years, but for life. 3. The 4 years in college are "receiving" years; even if you live to be 100, we can never repay what we received during the college years. 4. There is work to do. Addresses must be kept up to date.

Active chapters need advice and encouragement. They need a constantly flowing list of prospective members, and you can help determine the quality and quantity of new members. Recent graduates can be helped to new jobs. Perhaps an opportunity exists in your community for a new active chapter. A united effort through an organized alumni chapter can accomplish all these things.

Alpha Kappa Lambda has always been a fraternity with a mission. You thought it was worth belonging to and working for at one great period in your life. It still is—and calls for your renewed loyalty now. You will have satisfaction and fun in keeping up your fraternity bonds.

LOYD C. HALL

## Secretary's Message

In starting this school year, we should look forward to a good year for Alpha Kappa Lambda. Before we do start operation, perhaps we should look back to the 1949-1950 school year and review our achievements so we will appreciate the improved status with which we are starting this new year.

We have launched our expansion program in a big way. One collegiate chapter and seven new or reactivated alumni chapters were added to the roster. By moving into Ohio State University, we gained new territory for our Fraternity, and the members of Mu Chapter should receive our heartiest congratulations for having such a fine organization and for choosing AKL as the fraternity to build their group around.

Alumni throughout the United States have been drawn together once again via the fertile alumni chapter activities. Chicago and Los Angeles have again joined our brotherhood of active alumni chapters and Kansas City, Saint Louis, Central Illinois, Spokane, and Phoenix have started new operation. Congratulations to the members of these chapters and to the new officers selected to lead them through a big year.

In order to improve relationship between the National, collegiate and alumni chapters, I made a spring tour to visit our chapters at Illinois, Purdue, Ohio State, and alumni groups in Indianapolis, Chicago, Milwaukee, Madison, Peoria and Saint Louis.

It was a great feeling to see Alpha Kappa Lambda in action, no matter where the chapter was located, true AKL spirit prevailed. I was delighted to see our men at Illinois striving for more honors with their scholarships and musical ideals. The chapter seemed intent on coming back onto first place on the scholarship roll after occupying second place for several semesters. The musical ability of the group was astonishing. The men seemed very unhappy to move out of first place in the school's annual singing festivities. The first place trophy has almost become a tradition at Gamma, and even though competition is much greater, they are striving for the top cup this school year.

At Purdue, I found the chapter making good progress with the house full and the annex a few doors away sheltering several AKL's. I noticed in particular the friendly atmosphere that surrounds the house at 417 Waldron. They are a purposeful set and their chapter has a most promising future. They will keep their feet on the ground but they will go ahead steadily. The men look with pride at their new basement with its kitchen, dining room, and recreation room. Kappa has set up a model Expansion Committee to work on school close by for expansion into AKL. Their first year's work paid off in the activation of Mu Chapter at Ohio State on May 21, 1950.

The visit to Mu was the highlight of my trip, if I had to single out a particular stop. During the days preceding their initiation and activation, I became quite acquainted with most of the men who possess the right qualities to boost AKL at Ohio State to the very top. They will rent a full house for the first time this Fall and are planning a great year to introduce AKL to the campus. All of the brothers should be and are expecting the best from Mu Chapter.

I was fortunate in having the opportunity of meeting with a number of groups of AKL alumni on the tour. The good spirit that rides at these meetings are outstanding. Members do have the same interest, determination, and fellowship wherever a meeting is held.

I am looking forward to a western tour this fall to our western chapters and alumni groups. I hope that groundwork can be laid for possible expansion moves close to the birthplace of our great brotherhood.

I want to thank all of the men that mailed me their address corrections, wrote of their activities, helped on expansion moves, or showed their interest in getting this office on the right start in its first year of operation. Without this cooperation, it would have been impossible to make any portion of the progress of one full year with a full time National office. I hope that you will keep writing us and let this office know your hopes of the future. This office is yours, so how about using it?

The 1950 National Directory is out!! Naturally there are many incorrect addresses which we hope will be corrected before another directory is published. If you did not receive your copy of the Directory, write me as your copy is being reserved for you. I also want to thank you men that sent in money to help pay for the high publishing cost of the Directory. Your support guarantees the publishing of another directory BEFORE another nine years elapse.

LEWIS BACON

It was moved, seconded, and passed unanimously that the Executive Council authorize the purchase of a spirit duplicator and an addresser, the total expenditure not to exceed \$200.00.

The National President directed the National Secretary to do the following:

1. To print leaflets for resale to collegiate chapters and directed the National Editor of THE LOGOS to help edit this publication.
2. To print an explanatory booklet listing all steps to be taken by a new chapter from the time of petitioning to completion of activation.
3. To issue a questionnaire to all collegiate chapters to obtain their views on the location and date of the 15th National Conclave.
4. To poll existing alumni chapters for suggestions and activities of their respective alumni chapters.

The Executive Council recommended that the National Secretary present quarterly progress reports to members of the Executive Council.

It was moved, seconded, and passed unanimously that the National Executive Council desires that a new *National Directory* be issued in three or four years.

It was moved, seconded, and passed unanimously that the expenses of this meeting be paid.

The following resolutions were adopted:

1. Be it resolved that the official rate of reimbursement for travel for fraternity business by automobile be set at 6 cents per mile.
2. Be it resolved that the National Treasurer's fee be changed to \$62.50 per chapter per year effective July 1, 1950; that such fee be payable monthly, and that it be subject to increase or decrease for the month following a change in the number of chapters.
3. Be it resolved that the National Secretary be employed on a twelve month basis beginning July 1, 1950 and continuing until the 15th Bi-annual Conclave, for a salary of \$270 per month, subject to an increase of \$15.00 per month for each new chapter, and subject to a decrease of \$15.00 per month for each chapter lost to begin with the month following the loss of the chapter, and that the National Secretary be granted an annual two weeks vacation, to be taken at his discretion.
4. Be it resolved that the following banks be designated as depositories for all receipts of the General Fund and the National Endowment Fund of National Alpha Kappa Lambda Fraternity, Inc.: Bank of America, National Trust and Savings Association (Palo Alto, California).
5. Be it resolved that the National Treasurer be directed to allocate sufficient funds to bring the surplus reserve for the National Secretary's salary and the National Treasurer's fee to \$7500.00, and that this sum be loaned to the National Endowment Fund and invested according to the regulations of the National Endowment Fund; the dividends to accrue to National Endowment Fund Surplus; and be it also resolved that in the future, the National Secretary's salary and the National Treasurer's fee be paid out of current income.
6. Be it resolved that the National Treasurer be directed to submit to the 15th National Conclave a statement of total expenditures involved in the installation of each new chapter during the preceding bi-annual period.

7. Be it resolved that the National Treasurer be authorized to obtain necessary liability insurance to protect the Fraternity.

8. Be it resolved that the Fraternity purchase the accident policy described in the letter from Franklyn W. Oatman, dated May 29, 1950, for the sum of \$42.00 per year of which the National Secretary will defray \$10.00 per year.

9. Be it resolved that the National Treasurer of National Alpha Kappa Lambda Fraternity, Inc., and the Treasurer of the National Endowment Fund Board be directed to obtain an annual audit of the books of account and that he be authorized to pay for such audits.

10. Be it resolved that ARTICLE I, of the National Constitution of Alpha Kappa Lambda Fraternity, as stated on page 43 of the PLEDGE MANUAL, 3rd edition, published April, 1939, be added to the By-Laws of National Alpha Kappa Lambda Fraternity, Inc., with the following change: under SECTION 1, delete the word "The" and in its place substitute the word "National".

11. Be it resolved that ARTICLE II, SECTIONS 1, 2, 4, 5, 6, 7, pages 57, 58, 59, of the National By-laws of Alpha Kappa Lambda Fraternity in the PLEDGE MANUAL, 3rd edition, published April, 1939, be included in the By-laws of National Alpha Kappa Lambda Fraternity, Inc.

12. Be it resolved that the following be added to the By-laws of National Alpha Kappa Lambda Fraternity, Inc.: ARTICLE III, SECTION 3, page 60, in the PLEDGE MANUAL, 3rd edition, published April, 1939, "A fine of five dollars shall be payable to the National Treasury by a chapter which has: (1) neglected during the regular college term to acknowledge within ten days the receipt from a member of the National Executive Council, of any fraternity communication requiring acknowledgment; or (2) failed to have in the possession of the National Treasurer, chapter dues or initiation fees within ten days following the end of a month or the initiation ceremony. The National Secretary shall have the power to waive a fine levied under case (1) and the National Treasurer shall have the power to waive a fine levied under case (2)."

13. Be it resolved that ARTICLE XII, SECTION LI, Line 12, of the By-laws of National Alpha Kappa Lambda Fraternity, Inc., the following be deleted: "and the change for the fraternity pin". This action is for the purpose of incorporating Resolution 10 of the 14th National Conclave.

14. Be it resolved that ARTICLE XII, SECTION 1, Line 16, in the By-laws of National Alpha Kappa Lambda Fraternity, Inc., the word "The" be inserted before the word "Logos."

15. Be it resolved that in ARTICLE XII, SECTION 1, Line 12, of the By-Laws of National Alpha Kappa Lambda Fraternity, Inc., the following be deleted: "shall be distributed as follows, \$20.00 to the current expense fund and \$5.00 to National Expansion Fund," and in its place the following be substituted "In the current expense fund."

16. Be it resolved that ARTICLE XII, SECTION 2, of the By-laws of National Alpha Kappa Lambda Fraternity, Inc., be deleted, and in its place be substituted: "The alumnus members of other organizations may become CHARTER members of National Alpha Kappa Lambda Fraternity, Inc., if they are initiated at the Installation of the chapter and pay the \$25.00 initiation fee and \$15.00 Life Membership fee. Alumnus members of this group may become alumnus members of National Alpha Kappa Lambda Fraternity, Inc., if they are initiated and pay the \$15.00 Life Membership fee within one year following the installation of the chapter."

17. Be it resolved that the following words be added to Line 3, Paragraph 2, SECTION 8, ARTICLE VII, of the By-laws of National Alpha Kappa Lambda Fraternity, Inc.: "dealing with collegiate chapters."

18. Be it resolved that in ARTICLE VII, SECTION 6, Paragraph 2, Line 4, of the By-laws of National Alpha Kappa Lambda Fraternity, Inc., the words "expansion activities" be deleted.

**Proposed Changes to the By-laws of the National Alpha Kappa Lambda Fraternity, Inc. Endowment Fund Board.**

Since 1940, when the By-laws for the N. E. F. Board were written, there have been a number of rather basic changes, both in the economy of this country and in the character of the organization of National Alpha Kappa Lambda Fraternity, Inc. As a result, certain phases of the By-laws are inconsistent with current conditions. Since these regulations provide in some detail the method for administering the Endowment Fund, it is important that their provisions be workable. It is believed that the following changes will increase the effectiveness of the By-Laws, and improve considerably their workability.

(1) ARTICLE I, SECTION 1: Change "under ARTICLE VI, SECTION 8 of the National By-laws of Alpha Kappa Lambda which reads as follows:", and the quotation which follows to read: "under ARTICLE VIII, SECTION 2A of the By-laws of National Alpha Kappa Lambda Fraternity, which read as follows:", and the quotation which appears under said By-Laws.

Since the new By-laws of National Alpha Kappa Lambda Fraternity, Inc., which resulted from the incorporation, are now approved, the By-laws of the National Endowment Fund Board should be consistent with them.

(2) ARTICLE V, SECTION 1: Delete the entire section, and in its place substitute: SECTION 1. *Investments.* Not less than thirty percent (30%) of the principal amount of the National Endowment Fund shall be held in cash or invested in U. S. Government Bonds or in institutions or in the securities of institutions for which the U. S. Government guarantees the amount of principal and interest so invested. The purpose of this provision is to insure that at all times funds will be available to protect such investments as there may be which are secured by second mortgages."

The size of the National Endowment Fund is not sufficient to warrant the expert financial counsel required to maintain investments in stocks and bonds. It appears that such funds not invested in the chapters would best be placed in Government bonds, in savings accounts, or in building and loan institutions.

(3) ARTICLE IV, SECTION 2A: Delete the second and third paragraphs of this subsection, and in their place substitute: "The National Endowment Fund Treasurer, or other approving officer of the National Endowment Fund Board, shall secure competent legal advice as to the form and validity of the note, with particular reference to the laws of the state in which the note is made. All loans to students shall be guaranteed by the chapter corporation of which the student is a member and by one responsible adult individual."

It is felt that these changes will diminish the ambiguity of this section of the By-laws owing to the legal technicality of loans of this type.

(4) ARTICLE IV, SECTION 2B: Delete the last sentence.

This paragraph limits the amount that may be loaned to one chapter to a fraction of the total principal of the Endowment Fund. Loans to chapters in recent years have violated this rule. In view of the present inflation (compared to the 1939 price level), loans made under this rule would, in many cases, be too small to be effective. It is recommended that the amount of each loan be left to the discretion of the National Endowment Fund Board.

(5) ARTICLE V, SECTION 1: Delete the entire paragraph, and in its place, substitute: "The net earned income of the National Endowment Fund, as defined in ARTICLE IX, SECTION 1, shall be used to defray current expenses of the publication of THE LOGOS, and for such other purposes of general benefit to all members of National Alpha Kappa Lambda Fraternity as shall from time to time be determined by the Board. In no event shall the principal of the Fund be impaired for the above purposes."

As this section presently reads, it is possible for the principal of the Fund to be drawn on to offset publication expenses of THE LOGOS.

Since this is a trust fund, any expenses over and above its earned income should be met through some other means than reducing the principal of the fund. Any such expenses should be met from the General Fund.

(6) ARTICLE VI, SECTION 1: Change this section to read as follows: "... required for the purposes stated in ARTICLE V, such excess net earned income shall be ..."

This article relates to scholarships, and the change is for the purpose of making the article consistent with the proposed changes to ARTICLE V.

(7) Add ARTICLE IX to read as follows: "ARTICLE IX, NET INCOME, SECTION 1. A true and correct accounting shall be maintained on an accrual basis and net income shall be determined by subtracting from earned income, as defined in SECTION 2, of ARTICLE III, of these By-laws, all expenses attributable to the operation of the National Endowment Fund, and allowances resulting from necessary reserves."

This provision clarifies recommended changes in previous sections.

LEWIS BACON

## *Prominent Alumni of AKL*

### Thomas R. Wilson

Thomas R. Wilson, Alpha '22, was born in Seattle, Washington, in 1897. After attending grade school at Issaquah, Washington, he moved to California where he attended high school in Los Angeles, San Diego and El Centro. He obtained his B. S. degree in economics at the University of California in 1922 having interrupted his college education for 25 months of service with the American Expeditionary Forces in France, 1917-1919. He entered military service in one of the ambulance units organized at the University of California. Mr. Wilson obtained a B. F. S. in the Georgetown Foreign Service School in 1923, an M. A. degree from George Washington University in 1924, and his Ph.D. at Georgetown University in 1932. His thesis for the doctorate degree was "Imperial Preference in the United Kingdom after World War I."

Mr. Wilson entered the service of the Bureau of Foreign and Domestic Commerce in October 1922 and served as chief of the British and Canadian Section of the West-

ern European Division, 1922-1925. This work consisted of analyses of the economic trends and developments in the United Kingdom, Canada and the British areas in Africa. In 1925-26 he served as Assistant Trade Commissioner in Ottawa, Canada, where his principal duties concerned the promotion of American trade, the writing of economic reports, trade surveys and a considerable amount of correspondence on tariff and tax matters in the Dominion of Canada.

He returned to Washington and served as chief of the British and Orient Section of the Foreign Tariffs Division, 1926-1929. This work involved critical analyses of all tariff and commercial policy matters relating to the British Empire and the oriental countries. He not only studied the tariff rates themselves, but also made special studies of the customs procedures in these countries and tariff regulations, such as marking of origin, valuations, etc.

He served as chief of the European Section of the Finance Division, 1929-1941. This work involved analyses of all the financial

problems of European countries and their colonies, the major portion of which concerned the problems of exchange control and many of the bilateral financial agreements entered into by the European countries. The period covered in this work was that during which the European finances collapsed and the difficult depression years. During this time the German government was engaged in its numerous financial transactions under the leadership of Mr. Schacht.

Mr. Wilson served as assistant chief and chief of the British Empire Unit, 1941-45. In this capacity he was involved in all the policy matters for the Department of Commerce concerning the economy of the British Empire during the war period. He supervised many of the studies for other government agencies which were used as a basis for their determination of policy.

In 1946 he was appointed Deputy Director and in 1948 Director of the Areas Division of the Office of International Trade. Among his other duties he was in charge of the preparation of preliminary data on U. S. exports for use by the Trade Agreements Committee in the preparatory work for the Trade Agreements Conference in Geneva. His work involves assisting in the country programming of exports from the United States. All economic problems of foreign countries, particularly as relating to foreign trade, are the responsibility of the Areas Division.

In 1950 he was appointed an assistant to the Director of the Office of International Trade in charge of trade agreements and commercial treaties.

He is the author of a large number of Trade Information Bulletins, special circulars and articles dealing with foreign trade and related subjects.

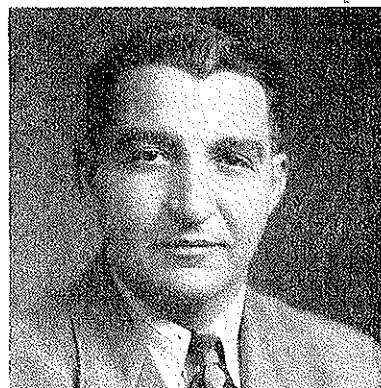

In 1947 he was a member of the mission set up by the Army to negotiate with SCAP in Tokyo for the opening of private trade of Japan with the rest of the world. In early November 1948 Mr. Wilson was a member of the Department of Commerce survey team that visited 13 countries around the Mediterranean and in the Near East to study the economic situation in those countries as well as to survey the activities of American government representatives in the economic field. During this trip he visited the American missions in the following cities: Lisbon, Madrid, Barcelona, Rome, Milan, Athens, Istanbul, Ankara, Beirut, Damascus, Baghdad, Teheran, Cairo, Alexandria, Tunis, Algiers, Casablanca, and Rabat.

In 1950 Mr. Wilson accompanied the Assistant Secretary of Commerce to Tokyo to attend the conference of United States economic officers stationed throughout the Far East. Following this conference he visited Korea, Hong Kong and the Philippine Islands for a quick survey of the economic situation in those countries.

#### H. George DeKay (Our National President)

Henry George DeKay was born in Randolph, Nebraska, on Aug. 14, 1898. His early schooling was obtained in the grade and high school of that city. He graduated from the Wayne State Teachers College with an A. B. Degree in 1923 and taught in the high schools of Nebraska, first as Science teacher and coach of athletics, then as principal of high school and later as Superintendent of Public Instruction. He began teaching in the rural schools of Nebraska in the fall of 1917 which was interrupted by his military service during 1918. He continued his teaching in high schools the fall of 1920.

He resigned his position as Superintendent of Schools to enter the School of Pharmacy of the University of Nebraska in the summer of 1927, from which he graduated with a B. S. degree in 1928 and became a registered pharmacist the same year. He taught the first six

weeks summer term at the University of Nebraska and began his work at Purdue as instructor in Pharmacy in September of that year. He has steadily advanced since then to Professor of Pharmacy. He has a large number of scientific papers to his credit in the field of Pharmacy; he teaches Pharmaceutical chemistry and is co-author of the text "Qualitative Analysis for Students of Pharmacy and Medicine."

Prof. DeKay received his M. S. Degree from the Department of Chemistry of the University of Chicago in 1930 and his Ph. D. Degree from Purdue University in 1934. He is active in University affairs and serves on several of the University committees. While an undergraduate student he took an active part in the four major sports. He has continued his work in athletics at Purdue and has been assistant to the freshman baseball coach.

He holds membership in the American Pharmaceutical Association, Indiana Pharmaceutical Association, Indiana Academy of Science, Society of Sigma Xi, and the fraternities of Kappa Psi, Phi Lambda Upsilon, Alpha Phi Omega and Alpha Kappa Lambda. In addition he is active in the church and social affairs of the community in which he is District Scout Commissioner of Harrison Trails Council and boys work chairman of the Optimist Club, and speaker for Civilian Defense. He is also chairman of the Hospital Pharmacy Section of the Tri State Hospital Assembly, Chairman of the colleges of District No. 4 of the American Association of Colleges of Pharmacy and is an auxiliary member of Sub-Committee No. 6 and 13 of the U. S. P. Revision Committee and the committee for galenic preparations of the N. F.

Prof. DeKay resides with his wife at 711 Meridian St., West Lafayette, Indiana, and has coins, stamps, and gardening as hobbies.

WM. D. GULBAN

(Ed. Note: It is worthy to note that our National President H. George "can-the-traffic-stand-it" DeKay does mighty fine work in his own and AKL's financial matters. He has done much to improve the financial condition of AKL.)

#### Dean Frederick J. Moreau

"Turning out better lawyers" is the aim of Frederick J. Moreau, Epsilon '22, as Dean of the Kansas University School of Law, and for twenty years he has been helping do just that.

A distinguished educator and legal counsel, this former national president of Alpha Kappa Lambda has a deep insight into the important law questions of the day. His genial personality and friendly manner have won for him countless friends throughout the profession

and state, and he is in continual demand as a speaker. But he still finds time to keep strong his AKL fraternal ties. He is now serving as Delta's faculty advisor, while his wife assists the Delta Mothers' Club.

Dean Frederick J. Moreau

Over 500 lawyers have completed their law work under Dean Moreau since he became school head in 1937. For eight years prior to that, he had been a professor at the K. U. law school.

He says of his position: "Like a building contractor, it is my job to see that the foundation is well constructed before the house is begun."

A native of Kewanee county, Wisconsin, Dean Moreau attended rural grade school at Casco, Wisconsin, and normal school at Oshkosh in the same state. He studied at the University of Wisconsin, earning his bachelor of philosophy degree in 1922 and his bachelor of law degree in 1924. He received an LL. M. in 1937 from Columbia University, New York City.

He was initiated into Epsilon chapter of AKL after having had a distinguished undergraduate

career and was a member of the group when it first became established on the Wisconsin campus. He is also a member of Delta Sigma Rho, speech fraternity; Phi Delta Phi law fraternity, and Omicron Delta Gamma.

In 1927, after practicing law for three years at Madison, Wisconsin, with the firm of Wilkie and Toebaas, Dean Moreau accepted a position as Assistant Professor of Law at Idaho University at Moscow, Idaho. He left Idaho in 1929 to join the faculty at the University of Kansas.

It was while he was at Idaho that Dean Moreau served as national president of AKL. In October, 1927, he helped in the installation of the Diversity Club at Washington State College as Eta chapter of our fraternity. Then, at the sixth national conclave, held in December, 1927, Dean Moreau was elected national president. During his term in office, Theta chapter at the University of Washington and Iota chapter at Kansas State College were brought into the national organization. He presided over the fraternity's seventh conclave, held in 1930 at Berkeley, California.

An avowed family man, Dean Moreau was married in 1938 to Jeanne McRae and now has two young sons, Frederick, Jr., and David, in whom he takes a great deal of pride and with whom he spends as much time as possible.

As one of the leaders in the Kansas legal profession, Dean Moreau assisted in framing the Kansas Corporation Code. During the recent war he served as compliance commissioner of the War Production Board. At the present time he is chairman of the committee on legal education and admission to the bar in the State of Kansas, and he serves on several committees of the Association of American Law Schools. He is the author of Kansas Annotations to 300 sections of the Re-

statement of the Law of Torts, and of numerous articles in various bar journals.

Dean Moreau is a member of the Presbyterian church, Kiwanis, and the Lawrence, Kans., Chamber of Commerce. He frequently conducts law clinics and refresher courses in the larger towns of Kansas and Missouri.

A firm devotee of the law, Dean Moreau believes that "law gives the student much needed stability in the art of being a good citizen." Kansas AKL's believe that this former national president is ample proof of this statement's truth.

### MU

#### History of Mu Chapter

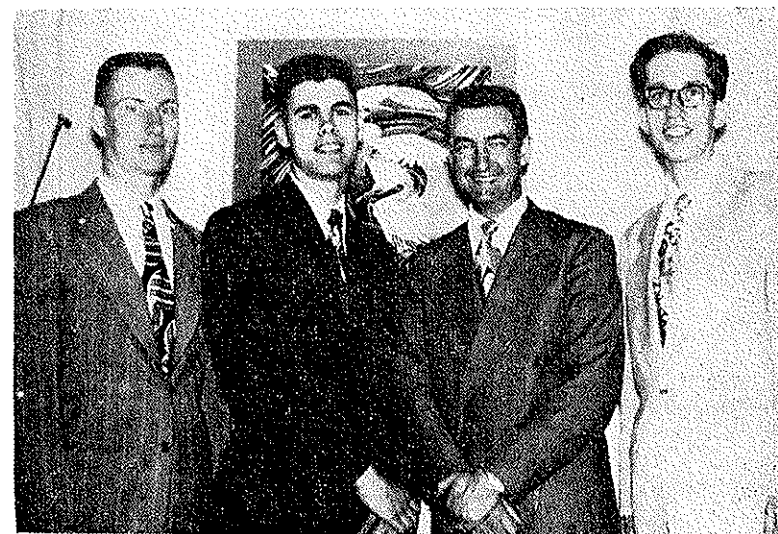

Looking through the issues of the Ohio State University yearbook for the last two years it is plain that Mu chapter has made great strides since its founding during the Winter of 1947.

This, the newest member of Alpha Kappa Lambda was founded by a group of five hardy souls

who felt that the fraternities then on campus did not offer what they wanted in the way of real fellowship.

At first the meetings and few social affairs of this small group were held in the Student Union.

By June of 1948 the members of the fraternity had found a house in which they could hold their

meetings and parties and in the meantime they expanded their original numbers.

During the next year more members were added to the fraternity, the membership of which was now 13 men. More social affairs were held and for the first time the men participated in the intramural sports activities sponsored by the University.

An especial honor came to the fraternity as it ranked first among the 52 social fraternities in scholarship.

At the beginning of the 1948-1949 school year the members de-

clared their purpose for the next year to be twofold. The first was to become associated with a national fraternity that embraced ideals most nearly like their own. The second purpose was to expand the membership to include at least 25 members.

The members of the fraternity spent many extra hours during the year preparing to become a member of the fraternity that was willing to admit them into its fold. It might be added that the members of Kappa chapter at Purdue gave much time and effort in aiding their new brothers.

Pledge George Zerters poses at Mu chapter installation, as housemother pours punch at refreshment table.

Many smokers were also held during the year to gain new members and by the end of Spring Quarter the membership totaled 25. The group became Mu chapter of AKL in May, 1950.

The members of the fraternity are now intent upon expanding their membership even further in the coming year and also in acquiring a house.

## DELTA

The fall semester opened at the University of Kansas on September 18, but long before that date Delta men were back at school to commence the necessary redecorating and repainting work. The entire second floor was repainted; new clothes closets were constructed, and the floors were refinished. Work on the first floor living rooms had been done during the summer by an interior decorator, but Delta members helped clean up in preparation for the fall rush week.

The rushing activities which had been carried on during the summer months by all Kansas AKL's were climaxed at the University of Kansas by the fraternity rush week, September 9-11. Dean Paul B. Lawson, Prof. Henry Shenk, and Prof. George Malcolm Beal were guests at the banquet which opened Delta's rush period.

### Membership

When rush week was completed, Delta was stronger by 12 men. Ten of the new members are freshmen, two are sophomores. Four of the new pledges are attending K. U. on scholarships; three are out for freshman football, and one is a member of the band. Several are accomplished pianists.

The new pledges, their home towns, and intended major subjects of study are: Don Wilson of Fredonia, Kan., music or mathematics; James Hubbard of Caldwell, New Jersey, education; Kent Bowden of Wichita, Kans., chemical engineering; William Carr of Wichita, Kans., liberal arts; Bert Larkin of Kansas City, Mo., chemical engineering; Leroy Carroll of Roswell, New Mexico, accounting; Jim Van Pelt of Lamont, Kans., law; George W. Maybery of Jetmore, Kans., mechanical engineering; Charles Morelock of Phoenix, Arizona, journalism; Donald Bradstreet of Amy, Kans., petroleum

engineering; Raymond Birk of Gridley, Kans., law; and Robert Kibler of Kansas City, Kans., industrial management.

The addition of these new men stabilizes Delta membership at 40 members for this school year, barring unforeseen war developments. Four Delta men are reservists subject to call at any time, but none have as yet been ordered to active duty.

Much of the credit for the successful rush week goes to the membership committee. Spearheaded by chairman Albert Park, the committee conducted an effective summer program. Other members are Ralph Kiehl, Stan Lehmborg, Robert Davis, Dick Etherington, and Ralph Tannahill. Stanford Lehmborg compiled the Delta yearbook which was distributed to all rushees and to all Delta alums.

### Social Activities

Marriage removed Jack Dausman, Delta's veteran social chairman, from the chapter's officer ranks, and for a while the fall social schedule was in doubt. Active member Dave Harner took over the reins, however, and scheduled a full program of events, including the traditional "Blind Pig" costume party, held late in October. There have also been hour dances and desert dances with various K. U. sororities. The annual Christmas Formal is scheduled for early in December.

### Scholarship

Scholastic reports on the Greek houses for the 1949-50 school year brought cheer to AKL's, for Delta again ranked second among the 24 national fraternities represented on Mt. Oread. At the end of the first semester, Delta had ranked fourth, but the second semester put AKL once again near the top. Indications are that the 1950-51 school year may find Delta topping the scholarship list.

### House Improvements

In addition to the redecoration work which was carried on during the summer months, Delta chapter is proud of the new crested china which now graces the dining tables. This new china matches the crested china recently acquired by Gamma chapter and was purchased through the same company which supplied the Illinois group.

Since the beginning of school Delta has also acquired a ping-pong table which provides much needed indoor recreational facilities. Plans are now in progress for making a basement game room.

Recent gifts received by the fraternity from the alumni include 16 new dining room chairs and a painting for the living room. From

the Mothers' Club: new table linen—cloths and napkins, new dish towels, and new pot holders. And from the active members: a large brass ash tray, a table Ronson cigarette lighter, and a lamp table for the living room.

### Chapter Officers

Chapter officers for the fall semester are Robert L. Davis, president; William L. Adams, vice-president and pledgemaster; Gene L. Campbell, recording secretary; Richard Etherington, steward, and Robert J. Evans, treasurer.

\*ROBERT L. DAVIS

(Ed. Note: Bob Davis has personally submitted more material for publication in THE LOGOS than any two collegiate chapters.)

## ETA

### Graduating Seniors

Leland Tupper, B. S. in Electrical Engineering; Clarence Dial, B. A. in Music and B. Ed.; Donald Ross, B. S. in Sociology; Maurice Knowles, B. S. in Physics; John Wilson, B. S. in Physics; H. Warner Goodrich, B. S. Electrical Engineering; Ernest McCulloh, B. S. Agriculture; Robert Dye, B. S. Agriculture; James Hardy, B. S. Agriculture; Richard Paeth, B. Ed. Physical Education; Carl Nordheim, Two-year certificate in Agriculture.

### Weddings

Maurice Knowles and Wanda Holman, both from Grandview, were married in Grandview June 3. They will live in Pullman Wash., where Maurice is working at the college.

Robert Albouca, from Spokane, Wash., and Carol Goranson, from Seattle, Wash., were married in Seattle July 8. They have been living in Spokane where Robert was

working in a Plastic Plant. Recently, Bob has been called to active duty with the Army.

Clarence Dial, from Battle Ground, Wash., and Zona Zerba from Milton, Oregon, were married in Milton July 9. After a trip to the mid-west where Clarence attended a two-week session of the Christianson Choral School at Lake Forest, Ill., they drove home in a new car they picked up at the factory. Clarence is teaching music, biology, and literature at the Mead High School, Mead, Washington.

John Wilson and Doris Beck both of Spokane, were married this summer. John has a cashier's job someplace in the Northwest.

Carl Nordheim and Ivadell Young, both of Walla Walla, Wash., were married in Walla Walla August 20. They are living near Walla Walla where Carl operates a wheat ranch.

Ralph Travis and Cheryl Pickens, both of Wenatchee, were married August 26, and will be living

in Pullman where Ralph is planning to complete his senior year of college.

Warren Rowe and Margaret Pyle, both of Wenatchee, were married September 4. They will be living in Pullman and both are going to attend college.

Archie Lloyd has been called to active duty with the Navy. He spent several years during World War II on duty with the Merchant Marines. The fellows at the Chapter House will miss Archie and all wish him the best of luck.

### This Fall

Twelve of the fellows who were in the house last year have returned this fall. During the summer improvements amounting to over \$1000.00 have been made on the house which will add to the convenience and pleasure of the men in Eta Chapter. A number of the fellows have been active\* during the summer talking to prospective members, and so we are hoping for a good pledge class to help carry on the activities of Alpha Kappa Lambda in Pullman.

(Ed. Note: From the number of summer weddings indicated, the editor has concluded that Eta members were not exactly inactive last Spring.)

### Future Plans

Last Spring, Eta of Alpha Kappa Lambda formed a corporation with Washington State College Chapters of Delta Chi and Kappa Iota Phi to purchase some property near the college for a building site. We hope that our dreams of a new house can become a reality within the next few years.

Leland Tupper, of Everett, is working with General Electric Corporation in Ohio.

Warner Goodrich is working at Boeing Aircraft factory in Seattle. His home is Battle Ground, Wash.

## LAMBDA

### The New House

Last fall Lambda's "house committee" said they would have a new home at the beginning of 1950 fall semester. The house shown is what the men found when returning this fall. Our congratulations to the "house committee". The home was purchased from R. W. Ball, a county engineer of Emporia on Aug. 13, 1950. On about the first of September we took possession and started to work by cleaning up, painting, moving newly bought furniture in, and rebuilding the basement. The basement was made into a shower room with clothing lockers. Also we managed to make a "Bull Room" (lounge) with a "coke" machine and a cigarette machine.

On the first floor, when entering the front door, the living room

can be seen to be decorated with new furniture. On the northwest corner is the housemother's room and adjoining it her private bath. In the northeast corner are sleeping quarters for about six men. Off the living room is a writing room and next to it a reception room followed up by the kitchen and utility porch.

On the second floor we have something to boast about that no other "frat" in Emporia has. A beautiful ball room. Here, we hope to hold a few dances in the coming year. Also, on the same floor we have a bathroom, a small kitchenette, and sleeping quarters.

### Service Call

Smith G. Laramore received his orders to report to Kansas City,

Lambda's New Home

Mo., Sept. 25, 1950, for his physical examination whereupon if found physically qualified will probably be sent immediately to Great Lakes, Illinois, for duty with the Navy.

"Smitty" was discharged April 13, 1949, after completing four years service in War II. He started his college career by joining Lambda's first pledge class last fall. Good luck to "Smitty" on his "latest" adventure.

#### Our Boy "Lou"

In practically every issue you have found articles written about the "men of AKL". In this issue I would like to introduce a Lambda alumnus, Lewis J. Bacon, National Expansion Secretary, of Alpha Kappa Lambda.

Lewis was born June 8, 1926, in Emporia, Kansas. He has lived in or around Emporia all his life. He has two sisters and one brother, all married.

Lewis attended high school at the Roosevelt High (on the Campus of

E-State), until he was sixteen at which time he transferred to Westport High in Kansas City, Missouri. After leaving high school he joined the navy and was assigned to Landing Craft, Amphibious Corps. After serving several months at Pearl Harbor he was transferred to Eniwetok Atoll in the Marshall Islands for the remainder of his naval career. He worked with "Operation Crossroads" just before his discharge came. After he was discharged in June 1946, he enrolled at K-State at Manhattan and pledged AKL. Before activation he transferred to K. S. T. C. After one year of looking over the fraternity system he called a few men together and presented AKL to them. It was in March 1949 his dream of a chapter of AKL became a reality. With a B. S. in Commerce and his major in Personnel Management, also his minor in Psychology in which guidance and counseling were his prime interest, he graduated in July 1949 from K. S. T. C.

After several members of Iota and Lambda presented the idea of making "Lou" National Secretary the National Executive Council appointed him to this position. He has a splendid background for this work as he has had experience in 4-H Club work, Naval training Y. M. C. A. boys' director, College Training and was the organizer of Lambda Chapter of AKL. He has also been instrumental in organizing the National Eniwetok Veterans' Association and has been serving as president for the past three years. During the first year as our secretary, he has set up a National office to maintain close relationship between collegiate chapters alumni chapters, and members. All this was done in his spare time from expansion activities in which seven new alumni chapters and Mu chapter joined the rollcall of AKL. He has planned an expansion pro-

gram on long range terms. His issuance of informal expansion information through "Expansion Bulletin" has made all organized groups of AKL "expansion wise". "Lou" has set up a triple checking file system in which each member is listed alphabetically, geographically, and according to collegiate chapter memberships. The completion of these files enabled the National office to print a complete directory—the first since 1941. Already, improvements have been made and plans are underway for another directory. The new office has enabled "Lou" to publish service manuals to help collegiate and alumni chapters maintain a more stable organization. Among these papers are: "Manual of Procedure for Groups Interested in AKL", "Preview of AKL", "By-Laws", "Pledge Manual", "Directory", "Expansion Bulletins", "Notice of Draft Exemptions". He is planning to rewrite the "National Record", more commonly known as the "Official Manual". "Lou" has planned a travel schedule to enable him to visit each collegiate and alumni chapter this school year. His goal for expansion is to establish AKL alumni chapters in the eastern section of the U. S., to reactivate Epsilon and Zeta, and to add one new collegiate chapter each year.

A lot has been said about "Lou's" job and his past but not enough about his great personality. As a personal friend and very close I would like to say he has one of the most "well rounded personalities" I have ever met, and I'm sure those of you who know him will agree. He is 24 years old weighs 230, and is 6 feet 3 inches tall. It has been said, "he is one of the most eligible bachelors" and was once voted, "the man most likely to expand"!

(\*Ed. Note: Not only is "Lou's" personality rounded; so is his Bacon.)

### In Memoriam

A memorial plaque and a neon sign bearing the Greek letters "AKL" were dedicated in memory of Joseph McPeck at a special ceremony at the new chapter house, 1802 Merchant, Sunday, Sept. 10, 1950. David Cropp gave a short talk before the plaque and sign were unveiled by Joseph McPeck's mother, Mrs. O. H. McPeck. Parents of Lambda members, wives, alumnus, and friends were guests at the service.

### Births

Mr. and Mrs. Karrol Johnston of 1123 Merchant St., Emporia Kans., are the parents of an 8 pound boy, Douglas Edward, born August 28.

Mr. and Mrs. William W. Coe are parents of an 8 lb. 11 ounce baby boy, born August 31, 1950. The couple reside at 909 Market St., Emporia.

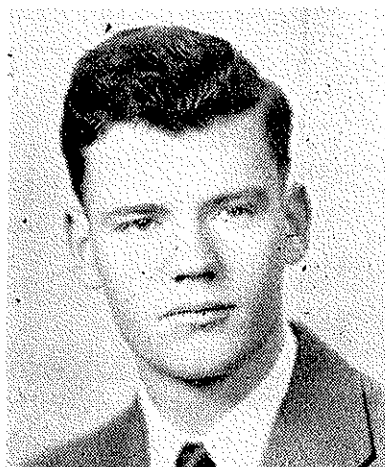

### Political and Military News

Milo W. Sutton reported to duty with the U. S. Navy on September 11. He was ordered to report to Kansas City, and from there Great Lakes, Illinois. Before enrolling at E-State, Milo had spent several years in the Naval submarine service.

Milo was in the first pledge class of Lambda. He joined in the fall of 1949. Milo is married and has two daughters. The second daughter was added to his family this summer.

He entered the political picture in Lyon county this summer for the first time. He was unopposed in the primary elections, and was scheduled to be Democratic candidate for the office of representative from the 45th District. Since he will be unable to carry on his

campaign, his fraternity brothers have offered to conduct it for him. They will address service and social organizations, and distribute posters in his behalf.

Milo Sutton

Aside from entering politics. Milo was operating a business of his own and holding down a full time job as advertising manager for the Emporia Times Paper. He has sold his business, the Sutton Tree Trimming Service.

### Engagements

Mr. and Mrs. Walter J. Graber of Pretty Prairie, Kansas, announce the engagement of their daughter Neva, to Glen H. Crumbson of Mr. and Mrs. Clifford Crumb, of Burlingame, Kansas. Glenn, a senior, is attending K. S. T. C. Glenn was one of the 16 charter members of Lambda chapter.

## Alumni News

Since June 3, 1946, Frank A. Waring has been a member and chairman of the United States Philippine War Damage Committee which has its head office in Manila, Philippines, and Washington office at 6624 South Interior Building, Washington, D. C. Except for occasional trips to Washington on official business, Brother Waring's duty station, therefore is in Manila.

Wilson D. Michell (Epsilon '35) is a Chief Geologist for the Resurrection Mining Co., in Leadville Colo. After leaving Wisconsin, he studied in the Graduate School at Harvard University until 1940. Since then he has worked as a mining geologist, remaining for periods of two to three years each in Nevada, Arizona, and French Morocco. Brother Michell came to Leadville early in 1949. He was married in 1946 to Carlene R. Moore, of Battle Creek, Michigan at Superior, Arizona, and has a daughter, Christiane Marie (age 15 months), born in Leadville.

The Spokane Alumni Chapter held four meetings last year after their organization in the Spring of 1949. Mr. Harry Denny, W. 15-34th Ave., is serving as President, and Carl V. Anderson, E. 4414 Buckeye, is filling the position of Secretary-Treasurer. The chapter is planning a large meeting to welcome the National Secretary to Spokane and to receive the Alpha Kappa Lambda Alumni Charter from Brother Bacon.

A committee composed of Lloyd G. Hall, National Vice-President Alpha '14; Frederick H. Clapp Epsilon '25; Randolph Hill, Beta

'37, called the Los Angeles Alumni and all of the Southern California AKL's together for a meeting June 20, 1950, in the Clark Hotel.

Dr. H. Geo DeKay, National President of Alpha Kappa Lambda, was guest speaker at the event. He gave the 25 men present an insight into the new AKL; the things it has accomplished and a suggestion of what it can yet achieve. One of AKL's founders, Charles J. Booth, Alpha '08, presided at the dinner.

Frederick H. Clapp, 783 S. Los Robles, Pasadena, was elected President and Bob Robertson, 221 S. Bunker Hill, Los Angeles, 12, was elected Secretary. Appreciation was expressed for the fine work done by the National Secretary in getting out the Directory. A collection was taken so that those who had not already contributed to the cost of the directory printing might do so.

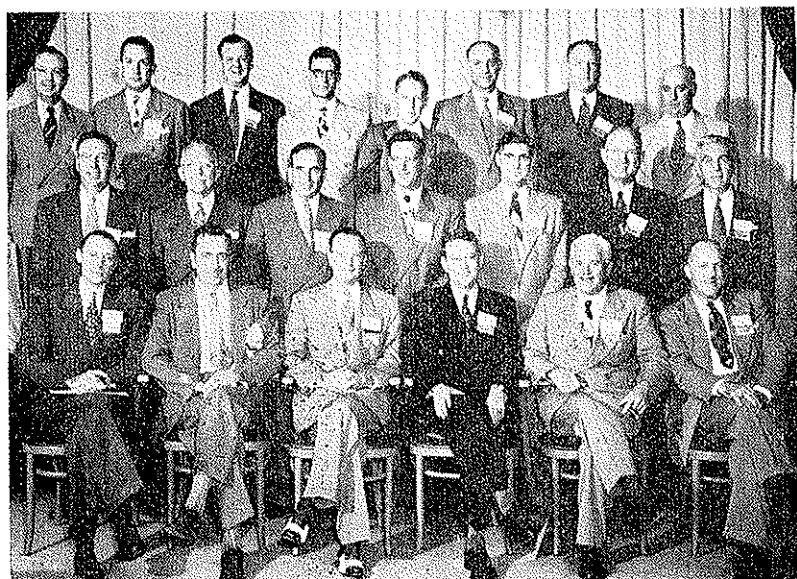

Mr. Howard T. Beaver, Past President of AKL, represented his fraternity and was guest of the an Interfraternity Luncheon at the Lambda Chi Alpha Fraternity at Edgewater Beach Hotel on September 5, 1950. Nineteen fraternities were represented by past and present national officers, alumni officers, executive secretaries and delegated representatives. More than 300 guests and members of Lambda Chi Alpha were in attendance at the luncheon.

L. G. Janett, (Eta '35) of Des Plaines, Illinois, is serving the fifteenth year as a Sales Engineer with the J. O. Ross Engineering Corporation as Assistant Manager of the Western Division. Brother Janett gave the following report on the Epsilon Chapter brothers.

Fred McCabe, a senior last year at K. S. T. C., Emporia, received word April 12, from St. Louis University, School of Dentistry, that his application for admittance had been accepted. He will begin with

the freshman class of Sept. 15, 1950. Besides being a member of Lambda chapter, Fred is a member of Beta Beta Beta, National Honorary Biological Society, and several other organizations.

Pitt, Sigma Phi Epsilon, Grand Chapter District Governor; Harvey Sorenson, Delta Sigma Phi, President Chicago Alumni Chapter; James R. Taylor, Pi Kappa Alpha, President of Indiana U. House Corporation; Adrian J. Eichberg, Zeta Beta Tau, Past National Officer. 3rd row, l. to r.: Maynard H. Coe, Alpha Gamma Rho, Past Grand President; Joseph L. Tourtelot, Theta Delta Chi, Graduate Treasurer of Grand Lodge; C. Edward Holtsberg, Jr., Delta Upsilon, Deputy, Albert E. Jenner, Jr., Alpha Chi Rho, National Committeeman; Roy C. Clark, Acacia, Executive Secretary; John H. Wilterding, Phi Delta Theta, Reporter of the General Council; Bertram W. Bennett, Beta Theta Pi, National Committeeman; Lloyd S. Cochran, Alpha Sigma Phi, Grand Senior President.

John Wesley Coulter (Alpha '18), a Professor of Geography since 1946, was given a leave of absence in 1949 to last until August 1950 when he became a "Pacific Asia" specialist in the department of Trusteeship of United Nations. His leave of absence was extended one year more which he will spend in France doing research in the field of "Human Geography".

Effective September 10, 1950 Major Oliver P. Smith (Alpha '16) assumed his new job as Commanding General at Camp Joseph H. Pendleton in Oceanside, California.

Brother S. A. Heider, E '34, was married on November 7, 1949 to Miss Ruth Salsbury of Park Ridge, Illinois, at Washington, D. C., where he is employed in the Public Housing government agency. Brother L. G. Janett, E '35, acted as best man.

Brother William J. Walsh, E '34 listed in the directory as an Insurance Broker Employee is now an Electrical Engineer in the Mobile Telephone field of the Bell System.

Wilfred H. Tock, E '35, is now a Sales Engineer in the heavy machinery division of Allis Chalmers Co., Milwaukee, Wis.

Wilson D. Michell, E '35, is not listed in the last directory. His address is now Leadville, Colorado where he is a geologist. Wilson spent two years in French Morocco as a geologist during and after the war. His father is Robert Bell Michell, Epsilon Honorary, who retired as a Professor of French at the University of Wisconsin this year after some forty years on the faculty.

The Lambda chapter of Alpha Kappa Lambda, Alumni Association Incorporated received its charter grant from the Secretary

of State of Kansas in mid-July. The Association was formed for the purpose of buying property for the Lambda chapter. Vernon E. Kauffman, Delta '28, was elected president of the new association.

Joseph Walter McPeck, 23, alumni of Lambda, was electrocuted at 4:00 o'clock, Wednesday, Aug. 16, 1950 while at work. According to James V. Karolik, man-

Joseph W. McPeck

ager of the plant, Joe failed to pull a switch to cut off the voltage used in charging the batteries, and was electrocuted when he grasped the leads to change them from one battery to another.

A former resident of Dunlap Kansas, Joe graduated from Dunlap High School in 1944. He had been an active 4-H club member, a music student, and an athlete. Upon graduation he attended Baldwin University for a short time until he was called into the Navy. After he was discharged from the service he entered K. S. T. C. where he majored in biological science and physical science. Upon his gradu-

ation in January 1950 he took a teaching position at Florence, Kansas.

At the end of the school year at Florence, he took the job at Globe Union Battery Factory, at Emporia, Kansas, for the summer. He was to quit his job following the week he was killed, to resume his teaching duties at Florence.

Joe was born in Herington, Kansas, Oct. 25, 1926. He is survived by his wife, Louise, and his parents, Mr. and Mrs. O. H. McPeck of Dunlap, Kansas. He and Louise Whitlock were married Feb. 17 1950.

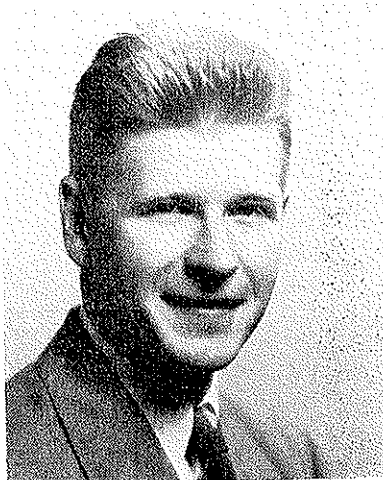

Joe was one of the "Charter Members" of Lambda and served as a house manager for one semester. It is certain that he will be missed in the years to come.

He was buried at Dunlap at 3:00 o'clock, Sunday, Aug. 20, 1950. Following him to his graveside was his Fraternity brothers, acting as Honorary Pallbearers.

On Friday evening, April 14, 1950 a dinner meeting was held by the AKL alumni of Chicago, for the purpose of reactivating the local Alumni Chapter. The group, boasting 150 members, had not been active since the beginning of the war.

Fifty-eight men attended the banquet, representing our Chapters at Illinois, Purdue, Wisconsin, Michigan, Kansas, Kansas State and the State College of Washington. More than 50 other graduates, unable to attend because of previous engagements, expressed their desire to take part in future Chicago alumni affairs.

Plans will be made for another banquet this fall. It has been suggested that movies of the Purdue-Illinois football game be shown. Keep this meeting in mind. We hope to see you there.

Frank Timmers, Alpha '48  
Pres. of East Bay Alumni Chapter

William D. Gulban (Kappa) of Warren, Ohio, is working as a Plant Engineer with the Packard Division of General Motors, under the G. M. training program for college graduates.

According to Brother Gulban Don Hamann (Kappa 850) left San Francisco recently with an Air Force division.

E. F. (Pop) Coe (Alpha '17) moved from Phoenix, Arizona, where he had charge of a restaurant, to Yuma, Arizona. In Yuma "Pop" has charge of the Arizona Hotel.

The Indianapolis AKL Alumni Picnic was held September 24 at Riverside Park for the alumni members and their family. Officers were selected and the winter's program was planned in a short meeting held at the picnic.

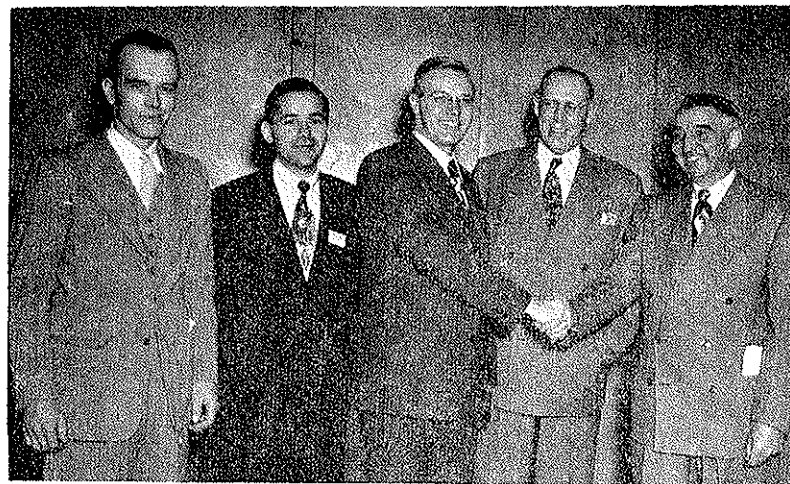

Harvey W. Krug (Gamma '32) and Ear, Nose and Throat Specialist moved to Roseburg, Oregon, after living for many years in California.

Ralph A. Wentz, (Alpha '24) is a Director of Business Education of Stockton Schools in Stockton, California.

A picture of General O. P. Smith (Alpha '16) was on the cover of the September 25 issue of the TIME Magazine. As described in the TIME Magazine, General Smith had charge of the U. S. 1st Marine Division in Korea which fought in Wolmi, Inchon and seized Seoul's Kimpo airfield.
