APRIL EDITION - 2024

Alpha Kappa Lambda Founders' Day Challenge

On April 22, Alpha Kappa Lambda and our chapters across the country will celebrate Founder's Day. It feels like we have more to celebrate with each passing Founder's Day.

This year, we want to highlight the success of the combined National Conclave and Clark-Thompson Presidents' & Officers Academy, which are partially funded by the AKL Education Foundation and its generous contributors.

This is a fantastic opportunity for us to come together and boost a fund that supports all our chapters and younger brothers. What better way to share our Loyalty to Alpha Kappa Lambda than with a friendly competition? Please send in your gift to the AKL Education Foundation as soon as possible so we can properly recognize your chapter leading up to April 22.

The Education Foundation plays a crucial role in teaching our brothers Scholarship and Leadership while giving them the support they need to find success. We hope you can celebrate Founder's Day with your chapter and fellow brothers soon!

Alpha Kappa Lambda Supports Sexual Assault Awareness Month

AKL understands that sexual assault and domestic violence are serious issues. "These Hands Don't Hurt", our national service project, raises awareness and educates college students about these issues.

Sexual Assault Awareness Month (SAAM) is an annual campaign to raise public awareness about sexual assault and educate communities and individuals on how to prevent sexual violence. During the month of April, chapters plan events and activities to reinforce the need for prevention efforts. More details can be found inside this issue.

INSIDEAKL

InsideAKL is the official newsletter of the Fraternity of Alpha Kappa Lambda. Undergraduate and alumni members, family, and friends are encouraged to submit news, articles, and photographs of chapter events, philanthropic and service projects, as well as other events and achievements.

From the Desk of the Executive Director

Brothers,

Spring is here which means our undergraduate chapters are wrapping up another school year. Hundreds of our members are preparing to graduate and move on to their “post-college” life. I congratulate them and wish them well on their future. I believe their Alpha Kappa Lambda experience in college has better prepared them for their next chapter of life. Thank you to the volunteers and donors that have helped shape the experience for these men preparing them for the obligations of life.

Our Founders’ Day Challenge is officially an “annual activity”. Over the next two weeks, all donations to the AKL Education Foundation will be credited to chapter totals in a contest to see which chapter can raise the most money. It doesn’t have to be an active chapter, as demonstrated by our Mu Alumni (Ohio State) last year winning it all. Who will take the top spot this year?

These Hands Don’t Hurt is a prominent activity for the month of April. Our national service project started at our Beta Zeta Chapter (East Tennessee State) in 1996 and grew to be an activity every chapter has embraced. For almost 30 years our undergraduates have supported education, fundraising and awareness of Sexual Assault and Domestic Violence programming. Our promise walls on campuses are iconic. It is something every AKL should be proud of. Make sure to check out some of the pictures from this year’s activities.

Please pay close attention to our Alumni Events page in this edition of Inside AKL. We have two general events and one chapter event to share. We hope to start adding more over the next few months. If you are in the St. Louis area, please try to make it out to the event this month. If you are in the Kansas City area note that we have an event scheduled in early August. AKL wants to reconnect our alumni around the country and further kindle that bond of brotherhood through activities like these.

Have a great remainder of the spring.

Fraternally,

Jeremy Slivinski, Alpha Kappa Lambda

These Hands Don't Hurt

AKL Supports Sexual Assault Awareness Month

Even before its official declaration, Sexual Assault Awareness Month (SAAM) was about both awareness and prevention of sexual assault, harassment, and abuse. Looking at the history of the movement to end sexual violence, it's clear why.

It is impossible to prevent an issue no one knows about, and it is difficult to make people aware of a problem without providing a solution. The two works in tandem. From the founding of the first rape crisis centers to national legislation and beyond, the roots of SAAM run deep.

AKL recognizes that sexual assault is a serious problem on college campuses and believes that it can be addressed through education, service, and philanthropic projects.

The hallmark of These Hands Don't Hurt is the "Promise Wall." The Promise Wall advocates take the pledge against domestic violence and sexual assault by pledging their hands will not be used to harm another.

Advocates can take the pledge and physically add their "hand" to the Promise Wall in several and cut out prior, where advocates add their signature or words of support before attaching to the wall. If your campus allows washable paint, hands can be painted and stamped onto the Promise Wall.

A Promise Wall should be displayed on campus or in the community. It can be part of an existing structure such as a wall or window in a public building on campus. Or a free-standing wall constructed by the chapter with materials like ply-board. Other options include banners, posters, or trifolds that are transported easier.

In addition to a Promise Wall, chapters should focus on awareness, volunteering, and donating funds. Chapters should include education with their Promise Wall by having literature/resources available.

Service events can be done by volunteering at a shelter, hotline, or other organization that needs hands on assistance. Contact your campus health/wellness center to see if they have any upcoming events, they need volunteers for. It may not always be the most glamorous role, but they need assistance in promoting, setting up, and running events.

While service is about donating your time, philanthropy is about raising funds. Donations can be collected in exchange for adding a handprint to the Promise Wall or as an optional contribution to their participation. Or partner with a local business to start a fundraiser. Be transparent with where money collected will be donated. Contact the organization you intend to donate to and invite a speaker or representative to your event.

These Hands Don't Hurt does not end with April. Continue to support survivors and give back all year long.

Undergraduate Spotlight - Eli Beck

Gamma Beta - Alabama

National Executive Council Undergraduate Representative

The National Executive Council (NEC) Undergraduate Representative is a position held by an undergraduate member elected by his peers at the National Conclave and Clark - Thompson Presidents' Academy & Officers' Institute. The NEC Undergraduate Representative's primary objective is to give insight based on undergraduate experiences and provide feedback based on his involvement in Alpha Kappa Lambda. This year, Eli Beck from the Gamma Beta chapter at the University of Alabama was elected as the NEC Undergraduate Representative!

He currently serves as Gamma Beta Vice-President and has previously served in numerous leadership roles within the chapter. We look forward to seeing what he will accomplish, congratulations Eli! Included is a brief interview with the new NEC Undergraduate Representative.

Tell Us About Yourself...

"My name is Eli Van Thornton Beck, and I am from Louisville, Kentucky. I'm currently in my Junior year at Alabama, where I am a Finance and Spanish double major on the Pre-Med track. While Medical school is the goal at the end of the road, I spend most of my time in Tuscaloosa at the AKL Gamma Beta Chapter house, playing golf, or studying."

What are you most looking forward to as the NEC Undergraduate Representative?

"The ability to serve every chapter's interests equally, regardless of size or location. In interacting with exec members across the country, I have learned a lot about the most important aspects of Alpha Kappa Lambda, and I look forward to lobbying to maintain and improve these elements throughout the duration of my tenure."

Why did you join AKL? Were you always interested in joining a fraternity?

"Joining a fraternity was not my main focus when making my transition from high school to college. While I've explored the reasoning behind joining AKL (and a fraternity in general) ostentatiously throughout my role as a Rush Chair for the better part of two years, the truth is it always boils down to the people. The character of the brotherhood was what stuck out to me during my own recruitment, and I've sought to replicate and maintain this strength of our house throughout the course of my involvement within AKL."

What is the best advice you have received and can share about being a leader?

"Everyone, including yourself, has their own unique balance. Understanding the balance that produces the best results within yourself and your team is the key to maximizing productivity, and in turn, success."

Alumni Members Announcements

Gamma Delta Chapter at Montevallo Aims to Endow Scholarship

The Alpha Kappa Lambda Gamma Delta Chapter at the University of Montevallo is thrilled to share some exciting news. As part of their ongoing commitment to support the growth and success of AKL, they are embarking on a groundbreaking initiative aimed at establishing an endowed scholarship fund for AKL at Montevallo.

Their objective is ambitious: to raise \$25,000 within the upcoming year, culminating on January 31, 2025. Achieving this target will trigger a matching contribution, resulting in a \$50,000 scholarship fund. With this endowment, they intend to award two \$500 scholarships to active members each semester, indefinitely. Not only will it provide crucial financial assistance to deserving active members, but it will also enhance the prestige and reputation of AKL at the University of Montevallo.

They are reaching out to all alumni to ask for your assistance. They are a smaller chapter with a small local alumni base. While possible, raising \$25,000 on their own in such a brief time frame will be challenging. That is why they asked the National Headquarters to assist in reaching out to all AKL alumni. Your support would be beneficial in making this vision a reality. Remember, your contributions are tax-deductible, making your generosity go even further. In advance, the chapter extends a heartfelt thank you for any contribution to this effort. Whether your contribution is \$5, \$50, or more, every dollar counts towards their goal.

Together, let us empower future generations of AKL members at the University of Montevallo. Join them in leaving a legacy that will shape lives and futures for years to come.

Donations can be made directly to UM using the link to the right, and selecting "Alpha Kappa Lambda Book Scholarship" from the dropdown. Donations made in this way are tax deductible.

“Speak Up” – Sexual Violence Prevention Education

This course will educate members of AKL as to the impact of sexual violence on victims in fraternities and sororities and the larger campus community.

Some members may initially say “I would never do anything like that.” or “That does not happen in my chapter.” By completing this module and engaging in the discussion groups, chapter members will understand the pervasive nature of sexual violence and that it is all of our responsibility to act and speak up to prevent sexual violence.

Fraternity Growth & Recruitment

Every member of Alpha Kappa Lambda must be committed to recruitment for any organization to grow sustainably. Fraternity recruitment should not be the sole responsibility of the Executive Board or Recruitment Chair.

Every year, the National Fraternity sets Recruitment Minimum Targets for each AKL chapter. These minimums are based on campus size, past recruitment results, and input from chapter leadership. The following chart is the 23 - 24 academic year recruitment minimums and results following the Fall and ongoing Spring semesters.

Omega Chapter

“Brothers and friends, we are assembled to remember those once among us who have received their calling from on high and passed into the eternal Omega Chapter of the Fraternity of Alpha Kappa Lambda. This is at once a time of sorrow at the loss we have all sustained, and the celebration of the many happy memories we will hold dear forever.

The fraternal tie that binds is a lasting bond; yet, a place once filled among us is now empty; a voice once known to us is now silent; the form we grew to know, and welcome will no longer be seen by us in this life. Yet, these Brothers are alive in the hearts and the memories of us all and will ever be held dear in the ‘halls of Alpha Kappa Lambda.’ It is fitting that we here pause and reflect upon the transience of life and remember those who have come and gone before us.

And we answer for every Brother named, ‘Present’ for though we can no longer grasp their hands in friendship nor look them in the eye, they are seen and heard with the eyes and ears of faith... the faith that someday we will meet again.”

– Excerpt from the Omega Ceremony
